PRELIMINARY AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Please preliminarily amend the subject application (International Application PCT/GB95/00893 as filed on 20 April 1995) as follows. Please note that this Preliminary Amendment is in lieu of any amendments before the PCT International Bureau and Preliminary Examining Authority. This Preliminary Amendment is also intended to eliminate all "multiple dependent claims" and therefore applicant has not submitted the "multiple dependent claim" penalty fee of 37 C.F.R. § 1.16(d), nor does the undersigned authorize the charging of this penalty fee to a deposit account. The undersigned, however, does authorize the charging of Deposit Account No. 01-2508, Order No.
